Vision

Every physiotherapist is a competent and ethical physiotherapist

Mission

To support the physiotherapy community in protecting the public

Strategic Objectives 2018 – 2022

- Through innovation and evidence-based policy-making, develop and implement leading edge competency assessment
- Implement an effective and efficient governance model for evaluation services
- Continue to be leaders in education credential assessment

- Develop collaborative, research-based processes to inform the development of a single system of ensuring competency of physiotherapists
- Collaboratively develop and implement a single Physiotherapy Identification Number (PINC)
- Develop and implement a communication strategy to engage all stakeholders

- Proactively explore the harmonization of regulatory processes to enhance regulatory effectiveness and achieve efficiencies
- Continue collaborative policy work, environmental scanning and the sharing of information to protect the public interest

Values

Serving the public interest · Good governance
Excellence · Integrity · Collaboration · Transparency
